### THIS PHYSICIAN

#### HAD ECZEMA

Dr. H. H. Griffith of Dayton, Texas, writes: I cured myself of eczema with Imperial Remedy and now use it in my practice.

"Imperial Remedy" is a nice, clean liquid, easily used; just pour a little on a piece of absorbent cotton and sop on the skin. All the itching, burning or pain is immediately relieved.

It penetrates the skin and goes to the seat of the trouble, purifies these parts; kills the germs, drives them to the surface and peels them off in the form of scales. The skin is then left pure and soft.

Twenty-five years of continued success proves the merits of this preparation. Thousands have been cured throughout Texas and the South. Do not be annoyed with this malady another day; go to the nearest drug store and get a bottle of Imperial Remedy. If the druggist cannot supply you send us \$1 and we will send you a bottle by prepaid express. Imperial Medicine Co., Houston, Texas.

### ARRESTS FOLLOW CULIACAN KILLING

Murdered American Miner  
Presumably Shot for Purpose of Robbery.

Culiacan, Sin. Mex., Oct. 20.—The detachment of rurales which was sent out from Culiacan by the secretary of state to investigate the killing of J. C. Ellick, ascertained that Mr. Ellick had made some display of the currency he was taking out, in Santiago de los Caballeros, where he secured the money and openly stowed it away in a mornal which he swung on the horn of his saddle. It was a monthly occurrence for him to take out approximately the same amount to pay his men at the mine.

Following some clues which were secured in Santiago de los Caballeros, indicating that a number of people at Alitotes, the point nearest Mr. Ellick's mine, could have connection with the killing as well as with certain other irregularities which had been noted for some time previous, it was decided to search their houses. At the approach of the rurales, three of the men tried to escape, two of them successfully; the third being shot three times and dangerously wounded fell into the hands

of the rurales along with four others who were under suspicion. The wounded man is expected to die. He was a mazo in Mr. Ellick's employ, a man of hard character to whom suspicion attached because of the unusual revels in which he had indulged since the killing.

An American who came in from the scene of the crime today reports that there is little doubt the two who escaped will be captured in the next few days and the full details of the crime be made clear.

### MEXICAN CATTLE FREE FROM TICKS

A California Veterinarian  
Says They Are Almost  
Free From Disease.

"Mexico is almost void of diseased stock," says Clyde Bruce Outlier, a California veterinarian, who is being employed on some of the largest Chihuahuas ranches during the fall months. Dr. Outlier is at hotel Zeiger for a few days, but soon will leave for the Terrazas properties.

"I am surprised at the absence of disease," he says. "Compared with California and the east the conditions are excellent. It is not so much due to preventive methods as to the very newness of the country. Little stock from the states has been imported, and when that is begun the disease plagues will begin. I am not familiar with the conditions in the southwest but Mexico strikes me as excellent field regarding the health of stock."

### LOCKNEY FIRE DESTROYS NINE BUSINESS HOUSES

Loss Estimated at \$10,000; Important Medical Case Results in a Hung Jury at Plainview.

Plainview, Tex., Oct. 20.—Fire at Lockney destroyed nine business houses on the east side of the square, causing a loss of about \$10,000, partly covered by insurance. The cause is unknown.

In Hale county court the case of the states vs. Otis A. Miller, a practitioner of suggestive therapeutics, charged with "illegally practicing medicine," aroused great interest, as it was a test case for the entire state. It resulted in a hung jury.

#### PANTS PRESSED WHILE YOU SLEEP

Sunset Route Installs Novel  
Department in Its Pull-

Here is a new wrinkle in travel luxury, a wrinkle to get rid of wrinkles. Listen:

"The travel stained tourist" of fiction, will be confined to fiction hereafter, at least that portion of the tourists who come into El Paso over the G. H. For why, the G. H. has installed pressing and cleaning devices on the observation cars of trains 9 and 10. The devices have also been installed on trains 3 and 4 between El Paso and Los Angeles. The cleaning and pressing will be done at night while all of the passengers are asleep and train porters will not be allowed to solicit trade. #### NEW ROAD MAY BE BUILT TO GUANACEVI

Miners Want an Extension  
From the Town of Tepe-  
huanes and May Get It.

Torreón, Mex., Oct. 20.—The engineer's plans for a new road from Tepehuanes to Guanacevi, both in the state of Durango, have been completed. A commission has been named to canvass the Guanacevi mining camp and determine just what amount of freight will be shipped in the event the road is built. If a sufficient amount is pledged work will be commenced at once. The distance between the two points is about 75 miles.

The road will also connect Durango City with a rich agricultural and timber district as well as the mining. The miners and business men of Guanacevi have been clamoring for a railroad for several years, and they are all willing to lend financial aid to the undertaking.

#### SOUTHWESTERN TO SHORTEN ITS TIME

From one to two hours will be clipped from the Southwestern's time between Los Angeles and Chicago, on trains 1 and 2, when a new time table is put into effect for those trains on October 20. The operating department of the road is now engaged in figuring out the new schedule.

Coincident with the change in schedule for trains 1 and 2, a cafe service will be placed on trains 1 and 2 east.

#### SERVES PAPERS IN SUIT AT STOCKHOLDERS' MEET.

Illinois Central Stockholders Have a Lively Experience During the Annual Meeting.

Chicago, Ill., Oct. 20.—Stockholders of the Illinois Central railroad company were given a lively hour and a half at their annual meeting Wednesday through the efforts of attorney Maxwell Edgar.

Holders representing 784,866 shares of stock were present. Mr. Edgar arrived, armed with proxies for 80 shares, which enabled him to take part in the meeting. He was accompanied by two deputy sheriffs who added to the confusion by serving subpoenas during every lull in the session on various directors. The subpoenas were in a suit for \$10,000,000 damages, which Mr. Edgar, constituting himself as attorney for the road, has started in the circuit court. The defendants to the suit are the directors of the road whom Edgar seeks to hold responsible for alleged financial loss through car repair "graff," general mismanagement and alleged rebating.

## Not For Men

### To Get Relief

When a woman's nervous and physical systems are tired out—worn out—they need something more than mere food, to refresh them.

They need medicines—tonic, herb products, which act as Nature planned they should do, in helping along the functions of life, when ordinary methods fail.

Cardui is not for men. There are many good medicines and tonics for men—but Cardui is only for women—its ingredients and its action make it so.

We know what Cardui will do for tired, worn-out, sick, miserable women, because we know what it has done. What it has done for others, it will surely do for you.

Cardui can be depended upon to help you, if you will give it a fair trial. Consisting only of pure, vegetable ingredients, it has nothing harmful in its composition, but acts, gently, and in a natural way, upon the

womanly organs, and has been found, in thousands of cases, to restore sick women to health, after other medicines had failed.

Mrs. Margaret L. Pheral, of Newburg, Ind., writes: "I had sick headache, continuous hurting in my side; was always tired, and, every month, had such pains, I could hardly stand. I was treated by the best doctors in our town for more than a year, without any help. At last, I took Cardui, and it worked wonders. Before I had taken one bottle, I felt better. Now I feel better than in two years, and owe it all to Cardui."

Try Cardui, it will help you. Sold by 40,000 druggists. Get a bottle today.
